

The "Silver Anniversary" Electronic Warfare Symposium

"Electronic Combat: The Next 25 Years"

SYMPOSIUM: All sessions are classified SECRET and will be held in the theater aboard Naval Air Station, Whidbey Island, WA 18 - 20 May 1998.

REGISTRATION FEE: \$70 per individual (\$15 for Government Employees, military free). Check-in will start at 1400 on 18 May in the Officers' Club.

LODGING: Local area reservations may be arranged through the individual hotels listed. If difficulty arises, contact the Chamber of Commerce, (360) 675-3535 in Oak Harbor. A block of BOQ rooms has been reserved for Govt/Mil/DOD personnel. Reservations should be made as soon as possible. (*BOQ application enclosed*) Contact CWO2 Gough at VAQ-129 Electronic Warfare Department, (360) 257-2793 or DSN 820-2793.

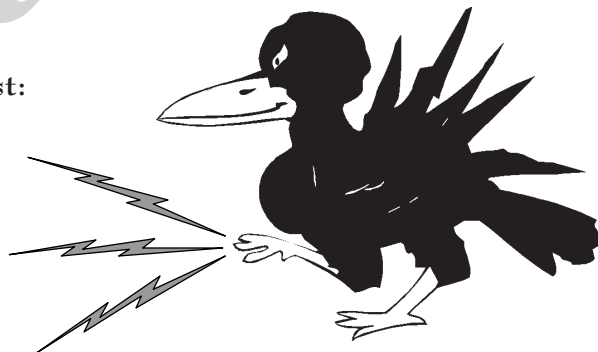

DISPLAYS and CONTRACTOR EXHIBIT HALL: A variety of Tactical, Support and Fighter aircraft are on request and various threat Surface-to-Air Missiles will be on display. Space will be available for any attendees desiring to exhibit Electronic Combat equipment. There will also be a schedule for viewing the various aircrew simulators.

HOSPITALITY NIGHT: A no-host Great Pacific Northwest Hospitality Night will be held at the Officer's Club on 18 and 19 May from 1600 to 2000. The Hospitality Night on 19 May will feature a "Brewfest" showcasing the finest Micro-Brewed beers of the Pacific Northwest.

The Association of Old Crows' Prowler Roost will host:

- ♦ A golf tournament on 18 May (NAS Whidbey Gallery Golf Course)
- ♦ A 5K run on 18 May at NAS Whidbey
- ♦ A banquet on 20 May

1973 - 1998

Symposium Highlights

The 25th annual symposium will provide participants with a global perspective on development, current employment, as well as future capabilities in the realm of electronic warfare. Four sessions will support the overall theme.

"Electronic Combat: The Next 25 Years"

Session I - C2W and Information Warfare

Session II - Hard Kill: Development of the anti-radiation missile

Session III- Electronic Attack: Mastering the Electromagnetic Spectrum

Session IV- Exploitation

Our schedule will include time to enable symposium participants to view the static aircraft and missile systems displays, contractor exhibits and aircrew training complex.

The registration fee includes admission to all sessions, static displays, and the hospitality night. Additional payment is required for the AOC banquet, Golf Tournament, and 5K Run.

(Coffee and doughnuts will be provided each morning at the station theater).

Clearance Information

The over-all classification of the symposium will be SECRET. Military and civilian personnel with United States citizenship and who possess a current security clearance of Secret or above will be eligible to attend. Each attendee's security clearance must be verified by submission of a certified OPNAV Form 5521 (or equivalent) for military personnel or a certified visit authorization request for civilian personnel prior to 08 May 1998. Foreign visitors are welcomed and should initiate a visit request through their respective embassy's foreign visit system by 08 April 1998. A hand-carried clearance presented upon arrival will NOT be acceptable for clearance verification. Original signatures of both the attendee and the approving security official must be on file with Mrs. Roberta Powell prior to admission into the symposium.

"The Department of Defense finds this symposium meets the minimum regulatory standards for attendance by DoD employees. This finding does not constitute approval or endorsement for attendance. Individual DoD component commands or organizations are responsible for approving attendance of its DoD employees based on mission requirements and DoD regulations."
